Information about Kilda Cruises

We run our trips from Leverburgh, South Harris. We ask passengers to arrive at the pier, location can be found [here](#), no later than **7:45am**, leaving by 8am. There is free parking at the 'Butty Bus' and at the 'Anchorgae Restaurant'. Please **do not** park at the fishery pier where our boat can be found. It takes approximately 2 hours and 45 minutes to reach Village Bay, St Kilda, sometimes longer dependent on weather. We then go ashore by a 4 metre inflatable dinghy and meet a National Trust Warden who will give a short briefing. Passengers have about 4 and a half hours ashore to explore at their leisure before returning to the vessel when we do a tour of the stacks and Boreray on the boat, giving an opportunity to view the huge bird colonies and the spectacular sea cliffs. We arrive back at Leverburgh by 7.30pm.

Booking Policy

Our season runs from 22nd April to 21st September and we accept bookings for three trips per week. We give each booking two possible days to give a bit of leeway with the weather. Bookings must be available for their 2 day window. We ask for a deposit of £100 per person to confirm your booking and this is returned to you if we are unable to take you on either day. **Please note** that bookings made via our website are refunded through our system. Bookings where payment was completed by another method requires that you contact us as we do not retain card details. **The balance of the trip is payable on the return journey from St Kilda.** Payment can be made by card or cash. We recommend a minimum age of 10 years for children travelling with adults, as the trips can be bumpy sometimes due to the speed of the vessel.

2024 Prices
